Hi Debra,

I checked with the SF Records Center and you can send them down. If it needs to go the Federal Records Center, they have some other grants to send off too. Thanks for checking!

Thank you,

Hi Joyce.

I thought you might be able to help me with this question.

I have a Technical Assistance Grant that has been closed out for the Association of Bainbridge Communities (Wyckoff-Eagle Harbor Superfund Site).

Should these files go to the Records Center? To archives?

Thanks,

Debra
